A full-page photograph of Nicole Aniston posing outdoors. She is lying on a wicker chair with a textured cushion, wearing a gold-colored multi-strand bracelet on her right wrist. She is nude, with her arms crossed over her chest and her legs spread apart. She has long blonde hair and is looking directly at the camera with a slight smile. The background is a blurred outdoor setting with green foliage and a wooden fence.

When I got to the set, there were a couple vibrators for my selection. I settled for the red one because it fit my pussy perfectly. When I inserted it in me, I could see all the male assistants get squirmy and try to hide their growing erections. When I finish with the vibe, I pick out a young assistant and see if he has something else to fit into my wet pussy!

Banging my way through the neighborhood

# COCK OF THE BLOCK

The fact that I'm a writer and work from home, I'm the only dude in my neighborhood during normal business hours. My scriptorium is located in the backyard under the cover of a giant pecan tree. With a coffee pot going constantly, it's also the "coffee klatch" for three attractive, mature women. I've become their confidant over the past six years.

Our homes are situated on a cul-de-sac in a typical middle-class suburban area. We all have cars of our own and do our grocery shopping on the same day. I get my haircuts at a local spot where the ladies have theirs done. We play bridge together twice a month, rotating the location of the game between our homes. We're equal partners in our lives and loves; we've shared our beds with each other and trust the secrecy of our intimacies among ourselves.

Lianne, Laura and Pam (not their real names) share their joy, sorrow, victories and defeats with me, as I share mine with them. We can laugh and cry together, knowing our bond of friendship and love will not be violated.

Lianne is a vivacious blonde, about 35, and for eight years married to Jack, an electrical engineer. They have a seven-year-old son. Lianne considers me an extension of her marriage; having had a vasectomy I'm safe and available.

Laura is black, 27, and the mother of two small girls. Her husband is 10 years older than her and an attorney. I'm Laura's only white lover, and as such, I fulfill some of her fantasies.

Pam is 42 with a married daughter. Her husband, Bill, is the manager of a small bank. Pam enjoys oral sex and Billy's brain is rusted-off in the missionary position. My wife, Joanie, isn't a member of the group because she's an

account executive for an advertising agency. Even though I have three published books, I'm what you might call a stay-at-home husband.

I am submissive to their desires; I allow them to become sexually dominant. This expels their frustrations and allows me to achieve relief from the dominant role I must play with Joanie. As one of the "girls," I provide variety to what would otherwise be a pure lesbian relationship.

Our sexual liaison began one morning as the group was sitting around my table. I'd just finished writing a chapter of my book in which my heroine had seduced her chauffeur. After reading it to the girls, Pam arched her aristocratic eyebrows and pointed out a mistake.

"Nick," she bluntly stated, "you haven't given your character enough justification for fucking the guy."

The others nodded in full agreement and Laura volunteered, "A woman doesn't get horny that fast. It builds up over a period of time and the guy has to be more than just a physical hunk of flesh."

Putting down her coffee cup, Lianne laughed and said, "Take the four of us for instance. We've known each other for several years, and we respect ourselves for what we are." She looked me right in the eye. "I could fuck you with joy in my heart because I know and trust you, but you've turned your girl into a sexual bitch with an itch between her legs."

Laura giggled with girlish delight and observed, "That's my point exactly." Looking at me over the rim of her coffee cup, she added, "And you've made the man comply with her wishes simply because he worked for her. Would you crawl in the sack with me if I demanded it?"

Smiling into her big brown eyes, I replied, "Try me."

“Don’t think I haven’t thought of it,” she murmured, sipping her coffee.

“And so have I,” Pam flatly observed, “because I think you’re a tender, gentle man. The only thing the guy in your story has going for him is that he’s available. You’ve got to give your heroine more reason than that or she becomes a nymph and has to screw everything in pants to

stopped me. “No, honey, we’re serious. We’ve loved each other for months and now it’s time for you to join our sexual inner circle.”

“We’ve got our reasons,” Laura confirmed, “and we’re sure you have yours. You wouldn’t put up with the three of us the way you do without a reason and we think we know what it is.” She took a deep breath and pressed on.

stay in character.”

“Speaking of being available,” Lianne interjected, “have you ever thought of your relationship with us? In a subtle way each of us has propositioned you this morning because we know you and feel you’re part of our lives. You’ve given none of that to the characters in your story. We have reason to love one another; they don’t.”

“Can’t that come later?” I asked. “No,” Laura answered. “A woman doesn’t do anything without a reason.”

“Maybe,” I countered, “her husband had left her unsatisfied that morning and she simply wanted to get laid.”

They exchanged glances. “That,” Lianne said, speaking for them all, “is a perfectly good reason but you haven’t let your reader share that information.”

“Yes,” Pam agreed. “She could be sexually frustrated because her husband refused to do certain things which she needed done.”

Nodding her head, Laura added, “She could have fantasies which only the chauffeur could satisfy.”

Reaching for the coffee pot, Lianne purred, “Every woman needs sexual variety. But a flat, emotionless fuck isn’t part of that need. It has to be safe as well as available.”

They were silent while she poured coffee for each of us. I’d raised the fresh cup to my lips when Laura popped the question.

“Well, Nick,” she softly asked, “which of us is going to be first?”

I was stunned. Pam spelled it out: “We’ve come to the decision to have a have sex with you. Do you want us to draw straws?”

I opened my mouth to laughingly protest, but Lianne

“Your wife is sexually submissive and you want to be dominated.” They each smiled at me as Laura whispered, “And we’re just the girls to do it. Are we right?”

Dumbfounded, I managed to nod. They were so pleased with themselves—and my submission—that they actually began to applaud. It took Pam less than a minute to pull a straw from my broom and set up the drawing. Lianne was first, Laura was second and Pam was third.

Each of them agreed that my sexual duty to Joanie came first; therefore my sexual services were to be available to only one of them, in rotation, for a week at a time. The fourth week of each month was to be considered my recuperation time. Since I did my writing in the mornings, my hostess would keep my afternoons occupied. The other two would take turns doing my housework. The trust we shared with each other was sufficient to make us feel easy with the arrangement.

This discussion took place on a Friday and they gave me the weekend to think it over. If I had any limitations that I wanted to place on their domination, I could state them at our regular Monday morning coffee klatch. It was also agreed that if the woman involved didn’t want to claim her week, she could pass with no questions asked. I was also given that option with the understanding that I sometimes had deadlines to meet that required my working during the afternoons.

The following Monday, Lianne claimed her week and a whole new world of sexuality opened up before me. I went to her house for lunch and found a woman so perfectly hot for fucking that every emotional fiber in my being was immediately attuned to her pleasure. She dominated me with

gentle authority, showing me how she liked to be loved. Afterwards, we showered together and I dressed her. Knowing I wouldn't reject whatever she suggested, I allowed her the freedom to demand my total adoration.

The rest of her week followed this pattern, but as I was dressing to go home on Friday she confessed, "I'm afraid I haven't been completely honest with you."

"In what way?" I asked.

"Nick, I've enjoyed our week together. But when you come back three weeks from now I want you to worship my pussy."

I knelt at her feet, raised the hem of her skirt and kissed the crotch of her panties. "Like this?" I asked. "Oh, yes," she purred. "Pull my panties down and really kiss me. Let me feel your tongue up inside me."

Lianne loved getting her pussy eaten out as much as I did doing it, but she hadn't asked before. She was succulent and sweet as she surrendered herself to the first true orgasm she'd had all week. One delicious wave of deep ecstasy followed another as she stepped over my up-

about each other was too personal to share at that point. It would have to wait until the others had their turn. Laura lingered behind as the others left our morning session.

"Nick," she asked, "could you come to me an hour early? The girls are in school, but they come home at 3:30 each afternoon."

I agreed to be at her back door at eleven o'clock and she hummed with happiness as she left. My own thoughts were in a riot. I'd never experienced interracial sex and my fantasies crowded in on me. I came to Laura with pure lust and desire in my eyes.

"Get undressed," she ordered as I entered her kitchen. You're here as my servant and I want you naked in my service." Her harsh tone gave me an immediate hard-on which produced a sweet, knowing smile on her lovely face. "Now kiss my feet," she commanded, "and seek my pleasure with your tongue."

Laura used and abused me without restraint for hours. She fucked me and rode my dace to countless orgasms. Her cunt flowed with rich cream and I sucked with a greedy

turned face and forced me down to the carpet. She was finally dominating me with her real need. This was why she opened herself to Laura and Pam, but her desire demanded a man's adoration. I met that need with unselfish lust and gave her what Jack had been neglecting for eight years.

My experience with Lianne made me re-examine my own marriage. Was I the complete husband Joanie wanted me to be? In dominating her, was I committing the same mistakes Jack was making with Lianne? Did Joanie have needs I wasn't meeting? Those questions needed answers, but I didn't know how to ask them without admitting failure.

The following Monday morning, Laura came for coffee radiant in her beauty. She glowed with confident expectation. I knew she and Pam had questioned Lianne about our week together, but Lianne's expression of smug satisfaction told me she'd said nothing. What we'd discovered

heart. In the aftermath of our passion she cooed with delicious promise. "Nick, you're my white bitch boy and I'm going to feed you this black pussy until you beg for mercy."

Each day she sent me home completely spent. I came to know every curve and recess of her body, exploring them with my probing tongue. Laura taught me the true meaning of sexual subservience and proved the sexual superiority of women. As a result, that weekend I discovered that Joanie could come countless times to my one as the memory of Laura's domination drove me on. (I also discovered that I could dominate my wife through abject and demanding submission to her needs.)

In approaching Pam's week, I was eager to learn what her ripe maturity and body could teach me. She was from a different generation, subject to greater restrictions on sex than either Lianne or Laura. She was always meticulous in her dress and serene in her gentle beauty. I'd never seen her without pantyhose and heels, or her brown hair per-

factly fixed up. She was the epitome of perfect femininity.

When I entered her home she sat me down in her living room and poured two glasses of wine. Sitting beside me on the couch she crossed her legs, modestly keeping her knees covered by her dress as she made this confession. "Nick, I'm actually frightened by the desire I have for you. I'm not sure I can go through with what I've been dreaming of doing to you with you." She pleaded for understanding with her eyes. Will you be patient with me?"

"Pam, you know I will," I assured her. "You are very special to me and I'll respect your feelings as I do my own."

She seemed to be relaxed as we sipped our wine. Her courage as I relaxed and put my hand on her knee. "I want you to kiss me, and let me become a demanding slut," she whispered. "I want to be consumed by wild sex and make you do the things to me I don't do with my husband." Facing me with almost savage hunger she hissed, "I want to be totally corrupt and sexually selfish!"

I then silenced her with my lip and ravaged her mouth with my tongue. Our lips were still touching when I agreed

all the deliciously filthy things I've wanted to do with Bill. I've been a bitch and I loved it. Will you come back tomorrow and let me be a bitch again?"

I kissed her heaving breasts and answered, "Only if you'll let me be your bitch too."

"Honey," she screamed with glee, pushing me down to her glorious pussy mound, "be a perfect sonofabitch and drink my pussy juice!"

We were a matched pair of bitch and bastard all week. The contrast of the Pam I saw with the Pam I knew was delightful. She showed me a side of myself—and herself—which neither of us knew existed. We found a harmony in humiliation that extended into Eros and increased our appreciation of full sexual satisfaction. That weekend, I gave my wife a new degree of freedom.

On the fourth Monday morning, when the gang gathered for coffee in my office area, I realized the unique position I occupied in our lives. I alone knew each of their secret desires. Lianne, Laura and Pam had shared themselves with me in submission, but they hadn't collectively shared

to be the man she wanted me to be. "I'm yours, baby. I want you to be slutty."

Smiling with lewd invitation, she got up and led me upstairs to the bedroom. Standing beside the bed, she breathlessly murmured, "Undress me and then strip off your clothes. I want you to fuck my mouth while I fuck yours. I want your tongue up my ass and your fingers in my cunt."

Pam released a torrent of pent-up passion that afternoon, moaning and screaming obscenities as I answered her desires. She made me dress in her prettiest lingerie and then, after sucking my cock, she made me swallow my cum from her lips. I licked and kissed her asshole, and then sucked her toes. She was insatiable in her degradation of herself and me.

As we showered together, she clung to me under the steaming water and begged forgiveness. Pam was overcome with remorse but couldn't keep from saying, "Nick, for the first time in my life I feel free. You've let me express

my desires. Laura suggested that I give them a summary of my feelings.

"Ladies," I reported, "you have each enriched my life. I've found myself in the genius of your sex. As a man, I am humbled by the awesome power of your amazing femininity." I looked at Lianne. "You filled my heart with female adoration." Laura's eyes met mine. "You opened my heart to the beauty of raw lust." I held Pam's hand. "You answered the call of my heart with a full measure of erotic freedom."

Pouring them each a fresh cup of coffee, I lifted mine in a toast and promised, "In the weeks to come, I will try to blend what I've learned from each of you in the submission I continue to give to your divine bodies. Without knowing it, Joanie is in your debt, but I will make the payments on demand and honor the debt with my love."

Nodding their heads in agreement, Lianne smiled, Laura giggled and Pam sighed.

After I got over the size of it, I sucked on this big dick so good that I thought he was going to cum right away. I love the way it feels when I wrap my tongue around his hard dick. His cum tastes so fucking good, but there was so much of it that it got all over my face. Yummy!

*But I wasn't born yesterday. I knew the score. These two were bad news.*

I slid a rack of glasses into the dish machine, lowered the hatch, and turned my attention to a stack of dirty plates.

Shit, I thought. Another night in the lousy dish pit.

Mine was filthy, back-breaking work for scarcely more than the minimum wage. I had been doing the gig for almost three years now, three years with no end in sight.

Of course, I wasn't alone. The job market was abysmal. Hell, I had a friend, a recent law school graduate, who was working at a fucking convenience store! Some of our cooks and servers worked as many as three jobs just to make ends meet. I felt bad for everybody; even the asshole bartender who had never bothered to learn my name.

Having finished scraping the plates, I removed my apron and went out back for a quick cigarette. Our newest servers, Trisha and Zelda, had beaten me to it. They started when they saw me, their faces draining of color; they looked guilty as hell.

I would have apologized for spooking them had I not noticed the credit cards. Two of them, one for Trisha, one for Zelda. They were copying information in their ticket books, jotting down numbers and expiration dates and security codes.

Busted!

And they knew it.

Of course, they tried to talk their way out of it. But I wasn't born yesterday. I knew the score. These two were bad news.

"Wait till Keith hears about this," I told them. "Getting fired will be the least of your worries. You'll be lucky if he doesn't call the cops."

Keith was the restaurant manager, a standup family man with a wife and two kids. Understand, I was no boy scout. Far from it. But identity theft was some seriously fucked up shit. My conscience wouldn't allow me to let this one slide.

"Please don't," Trisha said.

"We're sorry," Zelda added. "We made a mistake. It'll never happen again . . ."

"You bet your ass it won't," I replied, forgetting all about my cigarette as I turned on my heels and started for the back door.

Trisha rushed over and blocked my path, her face a portrait of utter desperation. "I'll do anything you want." She glanced at Zelda. "We'll do anything you want—"

"Yeah," Zelda spoke up. "Name it . . ."

I could read between the lines. Not that I had to. They provided a few choice details to pique my interest. I nodded and smiled and we made plans for later that night . . .

Turns out Trisha and Zelda were roommates. And while I was tired from a long night in the dish pit, I recovered quickly when they took off their clothes and started making out on Trisha's bed.

I undressed with haste, then stood there stroking my cock, getting nice and hard for the forthcoming fun. Trisha was blonde and the bigger of the two,

big in all the right places—big tits, big hips, big ass. Zelda was her opposite number, a slender brunette with spindly legs and a wildly unruly bush between them.

She lay on the bed as Trisha pressed her mouth to that bush and started to munch. Zelda writhed and moaned, delighting in her roommate's oral skills. Jerking my prick, I regarded Trisha's abundant ass; it was white and wide and waiting to be pounded.

As if she had read my mind, Trisha raised her face from Zelda's honeypot and looked at me over her shoulder. "Come on," she urged me. "Pound that pussy, baby . . ."

I moved behind her, marveling at the softness of her ass as I gripped it with both hands, kneading and twisting the pliant flesh as I plunged my cock into her cunt.

Meanwhile Zelda was going nuts, her scrawny legs wrapped around Trisha's head, her face twisted with pleasure. This promoted me to double my efforts. I hammered Trisha, tapping her colossal caboose with everything I had.

Moments later Zelda cried out, announcing her orgasm. Still, Trisha continued to lick and lap. At least until I pulled out and proffered my glistening cock, making my desires quite clear.

Ever accommodating, Trisha and Zelda uncoiled and, sitting side by side on the edge of the bed, finished me with their mouths. They gave spectacular head, working as a team as they took good care of my dick and balls.

My cry matched Zelda's in its intensity. I came hard, coating their faces with spunk, rope after throbbing rope.

Before I left, Trisha and Zelda promised to get rid of the credit card information. And I thought they had; until two weeks later when the police showed up at the restaurant with an arrest warrant.

It was quite a scene, though nothing compared to

the one which had taken place in Trisha's bedroom!

## BANGIN' A BRIT BIRD

I just returned from England and had an experience I've never had before. I have to write to you and tell you about this experience with this British "bird" that I fucked while was over there. Her name was Jaynet and she turned 25 in July. She said her husband died a couple years ago of a heart attack and she has been "trying out different men" as she says it. I was her first American and I think she grooved on that.

We met at a company mixer between our U.S. and British offices at some swanky hotel in Knightsbridge. I could tell right away that she was on the make. We talked a little business, but quickly strayed to American-British relations. She told me a bit of her story and I told her mine. After a few drinks and some business talk with others, we found our way to a balcony off the conference room to continue with our conversation. There were

a few others out there trying to escape the smokers. We found a corner and

continued discussing about global marketing, trust fund babies, the Queen Mum's hat, and if American men had longer penises.

I laughed when she brought that up and said I had not seen that many guys' penises. She laughed too, but with a quick change of tone asked if she could see mine. Needless to say, I was taken aback by her comment and took a deep drink hoping to avoid the subject. I finally said I didn't think it was the right thing to do, having just met and being business associates. But that did not deter her. After a few more banal questions, she brought up the subject again, and this time it did not seem so embarrassing. May-

be it was the alcohol that loosened me up, but I told her mine was pretty big. She came a little closer and put her hand right on my crotch and squeezed. I backed away, but she just squeezed harder. I looked around and there were less people on the balcony than before. She saw me looking and she looked too, but looked for a spot to drag me over to. Pulling me by the belt we ended up behind a big potted plant, pressed against the railing, overhanging the street.

She quickly undid my zipper, thrust her hand in and pulled out my dick. By now I was into it too, so I undid my belt and pulled my pants below my butt. After a few strokes it was at full salute. She was down on it before I could put my glass down with her mouth sucking in the head like she was eating hors d'oeuvres. I grabbed the back of her head and helped her with the head action, pushing it in and pulling it out of her mouth. The whole time her tongue was furious with the licks. She tried to mumble how big I was but she was so caught up in sucking me, all I heard were gurgling sounds. After a few minutes of this incredible cock-sucking she hiked up her skirt and turned around so I could take her from behind. She wasn't wearing any underwear and her pussy was soaking wet. I had no trouble sticking it into her and she gave out a loud gasp as I pushed it all the way in. Apparently that got the attention of others on the balcony and I managed only a couple more strokes before someone found us "in delicato."

I heard them say, "Madam president, are you all right?" She answered "Quite." in her British accent and after a short pause to take in our scene, left us alone to continue. Well, I couldn't after discovering she was the president of the company. I apologized and stammered I didn't know... blah, blah, blah. She said that it was okay and not to worry about it. She had to give the keynote speech in a couple min-

utes and we would pick up where we left off. I said "Okay." and pulled my pants up. She adjusted her clothes and went off to address two hundred business people with the keynote speech while I stood in the back with a shit-eating grin on my face not listening to a word she said.

## SHE WON'T PUT OUT

I'm a 26 year old male writing to you about the latest issue I've found of *Petite*. It's great that there are these types of women out there putting out for the cameras as often as to have an ongoing magazine. Are these photogenic females or just horn dogs. My wife is 23 and I have a bitch of a time to get her to put out like these petite babes. I do not want to think that by the time I'm 30, I won't be getting anything at all – at least not from her.

Maybe I just married someone with no sex drive, although before we were married, we were fucking all the time. I've tried many things to get her to put out, but ever since I put that ring on her finger, she has all but shut down her pussy. We don't have kids and I don't want to cheat on her but what the fuck, I'm horny all the time and I can't even get her to give me a hummer. I tried to "seduce" her and be romantic, but when she has a couple drinks, she all but passes out and wimps out on me. The chicks in your magazine seem to like sex, or at least showing themselves off. Where the hell are these women? How come they're sexing it up and my wife's a dullard? I'm wondering if the scientists and everyone else has it all wrong with women and sex. It seems that the older they get the more sexual they become. All I can speak from is experience and mine is pretty bad. Oh shit, I hear her coming – gotta go.

I was a chemistry major in college. For some reason, I found the Periodic Table of the Elements really sexy. There's so much hidden stuff in all those elements. Did you know that the symbols Fluorine/Uranium/Carbon/Potassium spell FUCK. Yeah, that's what I think about in the shower. Don't you?

A close-up photograph of a woman with long, dark, wavy hair and bright red lipstick. She is looking upwards and to the right with a slight smile. A hand with black-painted fingernails is resting on her left shoulder. In the background, a man in a black suit and a black braided belt is partially visible.
